A WARM WELCOME TO BODY, MIND & SOUL

Welcome to Swami Dayananda Ashram, Rishikesh. Thank you for your interest in these yoga courses or retreats we offer.

All these Iyengar Yoga Courses are conceived by **CERTIFIED IYENGAR YOGA teacher SRI. NANDAKUMAR** and he conduct along with other ashram teachers

Iyengar yoga is a scientific, disciplined and deeply researched system developed over 60 years by BKS Iyengar, known by his students as "Guruji".

This system of yoga is unique in many ways like emphasis on alignment & precision, sequencing of asanas, props, therapeutics and timing. Iyengar yoga cultivates awareness and "self-knowing" through precise insistence and love. Students start from the exterior and move to the interior.

Swami Dayananda Ashram, Rishikesh, situated on the banks of the Holy Ganga, is a unique centre for the study of Vedanta and Sanskrit grammar. The ashram was established during the 1960s by His Holiness Swami Dayananda Saraswati, who is an internationally recognized teacher of Vedanta and foremost scholar of Sanskrit.

A WARM WELCOME TO BODY, MIND & SOUL

Having studied with both the masters of Yoga and Vedanta, Sri. Nanda shares his yogic knowledge with the vision of Vedanta. From morning to evening, you will be engaged in different sessions of Asana, Pranayama, Meditation, Chanting, Audio-video shows of Sri.Iyengar classes, discussions on Yoga Philosophy, Music & Bhajans All courses are residential intensive courses with single accommodation with yogic cuisine.

We warmly invite you to take advantage of this holistic approach towards yoga. We encourage you to take positive steps towards yoga knowledge and achieving a healthier, happier lifestyle by participating in one of these Iyengar yoga courses. If, after reading this brochure, you have any further questions or queries or have been inspired to reserve a place on one of our courses please write to yogiyaar@hotmail.com - it may change the way you practice yoga.

Sri. Nandakumar is a Cerified Iyengar yoga teacher and has been regularly studying with Guruji Sri. B.K.S.Iyengar, Sri. Gitaji and with Sri. Prashanthji. He initiated his studies on yoga in the early 1990s at the SKY Centre and at the Krishnamacharya Yoga Mandiram in Tamil Nadu, South India.

With a keen interest in "spiritual studies" Nanda decided to move to Rishikesh to pursue further more. It was here under the guidance of Br.Rudradevaji, he built his foundation on Iyengar yoga. He has also had the fortunate opportunity to study under Senior Iyengar yoga master Sri Ramanand Patel, USA and later at the Iyengar Institute at Pune. Nanda is not only a student of Yoga but one of Vedanta as taught by H.H. Swami Dayananda Saraswati and has lived and studied at the ashram for many years. This had given him a unique insight to impart his yoga knowledge with the vision of Vedanta. Though he has good knowledge, he is happy to introduce himself as a student rather than a teacher.
